Invitation:

Dear Sir/Madam,

On behalf of the Organizing Committee, it is our great pleasure to invite you to the 44th Annual Conference of the **Indian Society for Medical Statistics (ISMSCON-2026)**, to be held from **25-28 November 2026** at the Department of Biostatistics and Health Informatics, Sanjay Gandhi Postgraduate Institute of Medical Sciences, Lucknow, India. The conference will bring together statisticians, researchers, clinicians, public health professionals, data scientists, and academicians to deliberate on recent advances and emerging trends in medical statistics, biostatistics, health informatics, artificial intelligence, and allied disciplines.

The theme of ISMSCON-2026 is **"Synergizing Biostatistics and Artificial Intelligence to Advance Next-Generation Evidence-Based Healthcare"**.

We look forward to welcoming you to Lucknow and to your active participation in making ISMSCON-2026 a memorable and successful event.

With warm regards,

Prof. Prabhaker Mishra

Organizing Secretary, ISMSCON-2026

Registration Fee: Delegates wishing to participate in the conference and present their research findings are required to register and pay the applicable registration fee as detailed below.

Category	Up to 15th Aug 2026	16th Aug - 15th Sep 2026	From 16th Sep 2026 onwards
Non-ISMS Member	₹ 7,000	₹ 8,000	₹ 9,000
ISMS Member	₹ 6,000	₹ 7,000	₹ 8,000
Student Cat-1 (Medical PGs, JRF/SRF/PhD with a Fellowship)	₹ 3,000	₹ 3,500	₹ 4,000
Student Cat-2 (BSc/MSc/PhD without a Fellowship)	₹ 2,000	₹ 2,500	₹ 3,000
Foreign Delegates	US\$ 200	US\$ 250	US\$ 300
Accompanying Person	₹ 4,000	₹ 4,500	₹ 5,000
Pre-conference Workshop	₹ 1,000	₹ 1,500	₹ 2,000

N.B.: Remarks:

Separate registration fees shall be applicable for the conference and pre-conference workshop, and the same shall be reflected during the payment process. Registration fees are exclusive of applicable payment gateway charges incurred during the online payment process, which shall be borne by the participant.

ISMSCON-2026**44th Annual Conference of the
Indian Society for Medical Statistics (ISMS)**

on

**Synergizing Biostatistics and Artificial
Intelligence to Advance Next-Generation
Evidence-Based Healthcare**

November 25-28, 2026

in collaboration with
Indian Society for Medical Statistics (ISMS)

Organized by

**Department of Biostatistics and Health
Informatics
Sanjay Gandhi Postgraduate Institute of Medical
Sciences, Raebareli Road, Lucknow -226014,
Uttar Pradesh, India**

Pre-Conference Workshop (Parallel Sessions)

- Clinical Trials: From Protocol to Publication
- Biostatistics and Artificial Intelligence: Integration for Predictive Analytics
- Systematic Review and Meta-Analysis

Major Themes for Abstract

- Clinical Trials
- Artificial Intelligence and Predictive Analytics in Healthcare
- Evidence-Based Medicine and Healthcare Analytics
- Advanced Statistical Methods in Medical Research
- Public Health, Medicine and Epidemiology
- Health Informatics and Big Data Analytics
- Biostatistics in Non-Communicable and Communicable Diseases
- Teaching, Training, and Capacity Building in Biostatistics
- Bias, and Reproducibility in Medical Research
- Sampling and Sample size determination
- Missing data analysis and protocol deviations
- Systematic Review and Meta analysis
- Network meta-analysis
- Survival and Regression analysis
- Hospital Information Systems (HIS) and EHR analytics
- Causal inference and propensity score methods
- Data quality, Interoperability, and Governance
- Statistical modeling for disease surveillance
- Predictive analytics in epidemics and pandemics
- Health economics and outcomes research
- Innovations in biostatistics education and curriculum development
- Role of biostatistics in interdisciplinary research
- Machine Learning in Biomedical and Clinical Outcome Prediction
- Discrimination, Decision tree and Cluster analysis
- Application of AI for Real-World Evidence and Clinical Decision Support
- Genetics, Bioinformatics and Other Related Areas / Miscellaneous

Highlights :

Awards for Best Oral & Poster Presentations in each contributed session. Lectures by distinguished invited speakers and eminent international delegates. Symposia and invited talks on emerging and interdisciplinary areas of Biostatistics, Health Data Science, Artificial Intelligence, and related fields. Opportunities to visit prominent religious, spiritual, historical, and recreational attractions in and around Lucknow. The conference evenings will feature a blend of cultural performances, music, and entertainment, providing an ideal setting for networking, and memorable experiences beyond the scientific sessions.

Important Date

Start Date for submission of Abstract: **1st June 2026**

Last Date for submission of Abstract & Registration Fee (early bird): **15th August 2026**

Last Date for submission of Request for support for Travel & Accommodation (For Students only): **15th September 2026**

Last Date for submission of Abstract & Registration Fee (Late bird): **15th October 2026.**

Display of the final program at Conference Website: **25th October 2026**

Accommodation and Local Transportation:

Participants are requested to make their own arrangements for accommodation and local transportation. A list of hotels near SGPGI, Lucknow, is available on the conference website for their convenience. Senior members of the ISMS who are retired or not currently employed may be provided accommodation in the Institute Guest House, subject to availability and submission of a prior request after completion of conference registration. Limited shared accommodation and travel support may be available for a select number of research scholars and students on a first-come, first-served basis, subject to payment of the registration fee on or before 15 September 2026 and prior request for the same during registration through conference website.

Important Notes

All participants, including invited speakers and accompanying persons, must register and pay the applicable fee. Registration fee does not cover accommodation. Accompanying persons will not be provided conference kits. Registration fee is non-refundable. Certificates will be issued only to registered participants.

Conference Website:

It is mandatory to register before submitting abstracts. All those who wish to present papers / talks etc. must submit abstracts online on the conference website only.

<https://ismsconlucknow2026.com>

Abstracts submitted through offline mode, email, or any mode other than the official conference website will not be considered. Participants are advised to visit the conference website regularly for updates on abstract submission, registration, accommodation, the scientific programme, and other conference-related information. The conference website shall serve as the primary source of all official communications and updates.

How to reach SGPGI Lucknow

SGPGI, Lucknow is located on Raebareli Road, one of the city's prominent and well-connected areas. The Institute is approximately 12 km from Charbagh Railway Station, Lucknow, and about 10 km from Chaudhary Charan Singh International Airport (Amausi), Lucknow, making it easily accessible by road, rail, and air.

How to reach Lucknow

Lucknow is well connected to major cities across India and international destinations through Chaudhary Charan Singh International Airport and Charbagh Railway Station. Additional nearby airports include Maharishi Valmiki International Airport, Ayodhya (150 km), Chakeri Airport, Kanpur (81 km), Prayagraj Airport, Bamrauli (200 km), and Lal Bahadur Shastri International Airport, Babatpur, Varanasi (293 km), providing convenient access for delegates from across India and abroad.

About the ISMS Conference

The ISMS Conference brings together researchers, academicians, and professionals from Statistics, Biostatistics, Medical Statistics, Population Sciences, Medical Sciences, Environmental Sciences, and Artificial Intelligence (AI) to promote interdisciplinary collaboration and knowledge exchange. The conference focuses on advancing innovative statistical, computational, and AI-driven methodologies to address complex challenges in healthcare, public health, and allied fields. Special emphasis is placed on integrating AI with Biostatistics and Medical Statistics to enhance predictive analytics, research efficiency, and evidence-based decision-making. The event aims to foster research, innovation, and collaboration in an increasingly data-driven healthcare environment.

About SGPGIMS, Lucknow

Established in 1983 by the Government of Uttar Pradesh, SGPGIMS is a premier institution dedicated to excellence in medical education, research, and patient care. Located on a 550-acre campus in Lucknow, the Institute offers advanced postgraduate, postdoctoral, nursing, and paramedical programmes. Recognized by NMC, AIU, and UGC, SGPGIMS holds NAAC A++ accreditation and ranked 5th among medical institutions in NIRF 2025. The Institute is renowned for its state-of-the-art healthcare facilities, including specialized centres for trauma care, transplantation, diabetes, and paediatric services, and serves as a leading hub for super-specialty healthcare and biomedical research in India.

About Department of Biostatistics and Health Informatics

Founded in 1990 and renamed in 2010 to reflect its expanded role in health informatics, the Department of Biostatistics and Health Informatics supports education, research, and healthcare management at SGPGIMS. The department provides training in biostatistics, research methodology, epidemiology, and data management, while offering statistical consultancy for clinical and public health research. It also manages the Institute's Hospital Information System (HIS), IT infrastructure, and digital administrative platforms, contributing significantly to evidence based healthcare, research excellence, and efficient institutional governance.

Shri Ram Janmabhoomi, Ayodhya

Ayodhya (150km from SGGGI), the sacred birthplace of Lord Rama, is one of the most revered spiritual destinations of India. Its divine ambience, historic temples, sacred Saryu Aarti, grand Deepotsav celebrations, and well-developed pilgrimage infrastructure and recent development make Ayodhya a truly unique, memorable and spiritually enriching destination for visitors from across the world.

Hanuman Setu Temple, Lucknow:

Hanuman Setu Temple is one of the most famous Hindu temples in Lucknow established by Neem Karoli Baba during the 1960s. Located on the banks of the Gomti River near University of Lucknow.

The Gomti Riverfront Lucknow

The Gomti Riverfront is a popular recreational and sightseeing destination in Lucknow that combines beautiful landscaping, walking and cycling tracks, fountains, and river views, making it one of the city's most visited attractions.

Maa Chandrika Devi Temple, Lucknow

One of the most revered Shakti temples / Peeth near Lucknow. The temple is dedicated to Goddess Chandrika Devi, a form of Goddess Durga, and is situated near Bakshi Ka Talab on the banks of the Gomti River.

Janeshwar Mishra Park Lucknow

Janeshwar Mishra Park is one of the largest urban parks in India, spread across about 376 acres, located in Gomti Nagar, Lucknow. The park features large lakes, jogging and cycling tracks, boating facilities, open green spaces, musical fountains, sports areas, and landscaped gardens, making it a favorite destination for families, fitness enthusiasts, and tourists.

Bara Imambara, Lucknow

Historic monument famous for Bhoor Bhulaiya labyrinth and magnificent Mughal-Awadhi architecture. Located right next to it is the iconic Rumi Darwaza, another historic place of Lucknow.

Eco Garden, Lucknow

Eco Garden Lucknow is a large public park located in the Alambagh area of Lucknow. Spread over about 112 acres, it was developed as a green recreational space and is known for its landscaped lawns, fountains, walking paths, and unique animal sculptures.

Rastriya Prerna sthal, Lucknow

Rashtriya Prerna Sthal showcases impressive architecture, statues, and beautifully landscaped surroundings. The site was created to honor the contributions of individuals who worked for social equality and public welfare.
